INSTALLING & CONNECTING YOUR HANDSET

Desktop installation

To set up the phone to be used on your desktop, attach the stand as pictured.

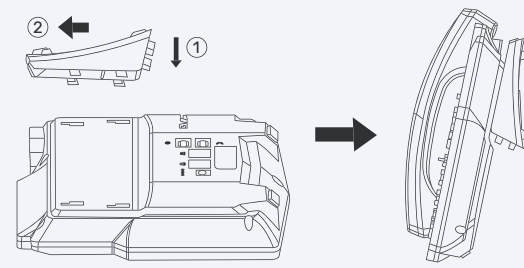

Select position 'A' or position 'B' to set your preferred height and angle.

Wall-mount installation

Determine if the location you wish to mount your phone to is safe for installation. Attach the stand as shown, then mount using appropriate fixings.

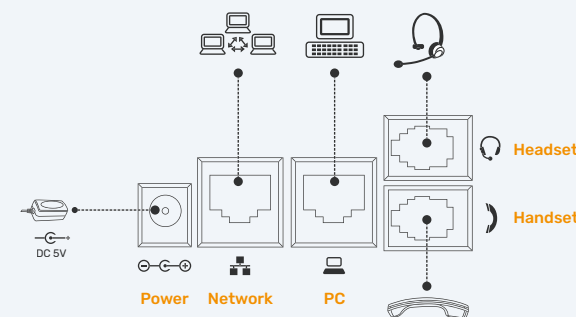

Note: Wall fixings are not included.

Connecting your handset

Plug in your power adapter and connect network, PC, handset, and headset (optional) to their matching ports as pictured.

Note: Headsets are not included with this product and will need to be purchased separately.
